

MEGUNTICOOK GOLF CLUB

MOVIE NIGHT

MONDAY | AUGUST 21 | 4:00-8:00 P.M.

Hosts: Harrah Lord & John Newburn

Movie start time 4:00 pm

Our August 21st Movie Night will feature *Living*, released in 2022 starring English actor, Bill Nighy. It is a quiet, simple, and beautiful movie; no one swears, no one takes off their clothes, and nothing explodes. But it wonderfully reveals a man confronting a question we all ask ourselves: what gives our lives meaning? Set in post WWII London amidst stiff-upper-lipped bureaucratic norms we witness Mr. Williams as he confronts his life and what its meaning will be. Directed by Oliver Hermanus and based on Akiru Kurosawa's classic *Ikiru* (1952) which was based on Leo Tolstoy's Russian novella *The Death of Ivan Ilyich* (1886).

Rotten Tomatoes gave the film an approval rating of 96%. The site's critics consensus reads: "Living sets a high bar for itself in setting out to remake a Kurosawa classic—and director Oliver Hermanus and star Bill Nighy clear it in triumphant fashion."

Dinner about 6:00 after the movie BYOB

Remember the first week of sign up is limited to members and house guests only. Other guests may sign up beginning August 15, if space is available. Movie nights are MGC's fastest sell outs. Sign up early: space is limited.
